The 42nd Annual Herold Reunion was held at Rolling Green Park, opening with the song "America".

Opening prayer by Rev. Ben Herold and our president, Dewey S. Herold opened the program with appropriate remarks. A welcome recitation was given by Betsy Herold.

The minutes of the last meeting were read and approved. A discussion of a historian was held and Dr. Elwood Flanders of York was suggested. Also that John C. Herold and other older members of our family write of some of the interesting happenings of the past and present them.

A very interesting address was given by Rev. Ben Herold telling of the beginning of the Herold Reunion by John Andy Herold of Port Trevorton.

The first reunion was held at Rolling Green Park in September of 1913. At that time the social life was different in that relatives and neighbors got together to visit and have family dinners, etc.

Our president, Dewey S. Herold, gave a touching tribute to the faithfulness and sincerity of a member of our family, Eddie Reichenbach who fell over dead one week ago to-day while cleaning the cemetery for our association. He has served on this cemetery committee as chairman since 1944 and took pride in cleaning it
