

1975

The 63rd Annual Reunion was held at the Shubellamy Marina Park on Packer Island between Sunbury and Northumberland. Because of flooded conditions there were not too many tables available and hard to find groups.

Our president Dewey Herold opened the meeting and asked me to tell who our speaker would be tell the rest gathered for business meeting. "He is the grandson of Mrs. Maudie Heidig and son of Ruth Christian from Palmetto, Fla - Rev William Christian

A fine talk based on Joshua using verse "As for me and my house we will serve the Lord" etc. He is making the Airforce his career and will be happy to come again when he can get away. Dewey read a prayer that he loved so much and offered to give us a print.

The minutes of last meeting were read accepted and then the treasurer's report. We have quite a bit of money that has accumulated through the years when we were going to make a spot in Debus County for the Herolds. In discussion Mrs. Marion Sabarno thought we should

use it for getting the large school bell from
abandoned school house used for tool shed and
mount in little cemetery where so many Revolutionary
Soldiers are buried in front of old school
Mr. Francis Shaffer our banker said we should
use it for something for Reunion as no one else
could if we ever disbanded. We hold it
over till next Reunion and George Harold
invited us to visit and meet at his stone
house lawn if nice and visit the cemetery
close by and perhaps decide then.
